ABOUT ME

From graphic designer to front-end developer and then IT support, from my first to the latest job I tend to improve all my skills and even learn new ones, to make better improvements on all my workplaces and tasks, I tend to be hardworking and a perfectionist.

WORK EXPERIENCE

2016-2016

GRAPHIC DESIGNER

Nova Gráfica/ Azores - Portugal

Did a little of everything but more on the advertising sector such as restaurant menus, some flyers and book covers.

2017-2018

GRAPHIC DESIGNER

Açoriano Oriental/ Azores - Portugal

I was responsible for almost every newspaper advertisements from companies and build up newspaper pages with the news.

2021-2022

GRAPHIC DESIGNER/FRONT-END DEV/IT SUPPORT

Secretaria Regional da Juventude, Qualificação Profissional e Emprego
Azores - Portugal

Here I gained a new skill as IT support and all together with my other skill I could level them up a little.
