# FRANCISCO CARREIRO

GRAPHIC DESIGNER  
FULL-STACK DEVELOPER  
IT SUPPORT

## ABOUT ME

From graphic designer to front-end developer and then IT support, from my first to the latest job I tend to improve all my skills and even learn new ones, to make better improvements on all my workplaces and tasks, I tend to be hardworking and a perfectionist.

## WORK EXPERIENCE

May 2022 to present	<b>GRAPHIC DESIGNER</b> ONIX Ourivesaria (Jewerly shop)	I'am responsible for making and taking care of all the advertisement of the company .
October 2021 May 2022	<b>GRAPHIC DESIGNER/FRONT-END DEV/IT SUPPORT</b> Secretaria Regional da Juventude, Qualificação Profissional e Emprego Azores - Portugal	Here I gained a new skill as IT support and all together with my other skill I could level them up a little.
2017 2018	<b>GRAPHIC DESIGNER</b> Açoriano Oriental/ Azores - Portugal	I was responsible for almost every newspaper advertisements from companies and build up newspaper pages with the news.

May 2016 July 2016	<b>GRAPHIC DESIGNER</b> Nova Gráfica/ Azores - Portugal	Did a little of everything but more on the advertising sector such as restaurant menus, some flyers and book covers.
